

**AVIS** Access

Look for these added benefits every time you rent from Avis:

**24-hour Roadside Assistance**—Call 1-800-354-2847 for emergency assistance anywhere in the U.S. and Canada.

**Avis Preferred® Service**—Enroll today for a faster rental experience, added benefits and special amenities—with our compliments.

**Avis Cares® Program**—Child safety and booster seats, local travel safety tip sheets and the Avis Quick City Guide® to restaurants, tourist attractions and business services are just some of the features of the Avis Cares Program.

**Route Navigator**—Available at many Avis locations, it offers touch-screen maps featuring customized directions to single or multiple destinations.

**Roving Rapid Return®**—Avis can quickly check in your car using a state-of-the-art handheld computer that provides a receipt and sends you on your way.

**Avis.com**—For the best rates available, plus features like "My Avis" where you can book reservations quicker, create personal itineraries and print out rental receipts.

**Reservation Center**—Call for reservations 24 hours a day at 1-800-331-1212 in the U.S. or 1-800-272-5871 in Canada.

**AVIS**  
Cares®

At Avis, we strive to make everyone's rental experience as easy, safe and stress-free as possible. That's why, as a feature of our Avis Cares<sup>®</sup> Program, we provide a full range of special products and services for our physically challenged drivers and passengers. Our visually impaired passengers can travel worry-free—just make an advance reservation, arrive with a licensed driver at least 25 years old and you're on your way.\* Because with Avis, you can be sure we'll meet your needs, before you even get on the road.

# AVIS Cares.

### Transfer Board

Eases the driver or passenger from his or her wheelchair into the car seat.

### Panoramic Mirror

Provides a much larger field of view for any driver, and is a legal requirement for hearing-impaired drivers.

### Swivel Seat

Allows the driver or passenger to turn his or her body in the car seat with limited effort. The seat can easily be removed from underneath the person.

### Hand Controls

Lets drivers with limited leg function accelerate or brake using a hand-controlled device. Controls won't interfere with drivers that aren't physically challenged.

### Spinner Knob

Enables the driver to turn the steering wheel with a full turning radius using only one hand.

### Avis Airport Buses

Some specially equipped buses offer an electrically-operated ramp or lift, two ADA\*\* compliant wheelchair positions, wider doors, spacious aisles and low luggage racks.

To ensure availability, products and services should be reserved at least one day in advance via phone reservation.

\*Please note: You must advise Avis that you're visually or physically impaired, and that you'll be renting a car with a licensed driver who's at least 25 years old. Such drivers are considered authorized drivers.
