Avis Assist

Your all-in-one, keep-in-touch, find-your-way navigation system.

GET LOST.
We dare you!

Like most navigation systems, Avis Assist can get you directions while driving. But what happens when you're *out* of the car and need directions? No problem. Unlike those other navigation systems, Avis Assist is portable. So it's always handy—just toss it in your pocket and go. It's basically your perfect, pocket-sized, portable tool when driving, walking or heading anywhere you need to go.

◀ Avis Assist makes it easy to get where you are going with:

- One-touch speed dial connecting you to the Avis Assist Call Center
- Downloaded point-by-point text directions and voice prompts
- Up-to-date roadway and directory data

Plus, Avis Assist has the following safety features:

- Speed-dial buttons connecting you to 911 and roadside assistance

Reserve your Avis Assist today. Ask an Avis Representative for details or call 1-800-331-1212

▶ What if you need to get directions from place to place over an entire trip? No sweat. Avis Assist can build you an itinerary from start to finish, whether you have specific places in mind, or just know that you'd like to go to an Italian restaurant. The information will be stored in the system, for whenever you're ready to use it.

So, with Avis Assist, you'll never get lost. Unless, of course, you like it that way.
