

GET XM FOR YOUR CAR OR HOME.

The XM Experience Can Go Beyond Your Avis Vehicle.

It's easy to add XM to any existing car or home audio system. It's also the hottest new car feature in many new 2003/2004 vehicles. And now, the new XM boombox lets you take XM wherever you want to take it. There have never been more ways to enjoy XM and still get your AM and FM stations. And all XM radios display the channel, song title and artist. XM is available for your car or home for a low \$9.99 monthly subscription.

Available in Your New Car.

XM is the latest new car option found in many vehicles including over 40 models from GM. Visit your local auto dealer for a test listen today.

XM for Your Car, Home and On the Go.

It's easy to add XM to your existing car or home stereo. Or you can get the new Delphi XM boombox and take XM with you virtually anywhere. Visit your local electronics store to get XM today.

BEYOND AM. BEYOND FM. XM.

Welcome to the Next Generation of Radio.

The Revolution in radio is underway. America's most popular satellite radio service is getting raves from customers and critics alike. XM is 101 digital channels of sheer variety: music, sports,

talk, comedy, drama, news, kids programming and more. You get amazing digital-quality sound, wherever you go. Whether you're at home, driving around town or across the country, you never have to change the channel.

Enjoy Commercial-Free Music.

Tired of stations that play too many commercials? 36 XM channels are commercial free, including exclusive, original music channels for Pop, Rock, Jazz, Country, Classical, Hip-Hop, Blues,

Dance, Reggae, Folk, World, Show Tunes, Christian Music and more. And the rest of our channels have far fewer commercials than a typical AM or FM station.

Live Radio. Amazing Programming.

We don't just play the music — we live it. The passion and dedication of our DJs add that important "X" factor to your listening experience. They bring you all the specials, the exclusive live performances, the rare recordings and inside information that you won't hear anywhere else.

And our listeners are always connected — calling in requests and e-mailing suggestions.
